NEUTRAL CLEANER/DEGREASER

PC
101

Versatility, environmental safety and worker safety are built into this general purpose cleaner. It may be diluted in varying ratios to effectively clean floors, walls, counters or any other surface not harmed by water alone. This product can be applied by trigger sprayer, mop or automatic floor scrubbing machines. It is gentle but effective; ideal for the daily maintenance of schools, offices, institutions and other public facilities. It features "no-rinse" ease in most cleaning applications. Use to clean surfaces such as plastic, metal, laminates, glass, vinyl and more. It's neutral pH makes it especially suitable for use in areas where pH restrictions on wastewater discharge apply.

Features	-	Related Benefits
Neutral ph	-	No rinse cleaner
All surface safe	-	Gently cleans soils from surfaces
Concentrated, versatile	-	Reduces need for several products
Controlled foaming properties	-	Ideal for automatic floor scrubbers
Clean fresh citrus fragrance	-	Pleasant to use
Free rinsing	-	Will not leave dulling soap film

Areas of Use -

- You may use this product on all surfaces not harmed by water
- General cleaning on cured paint, plastic, metal, aluminum, laminates, fiberglass, glass
- This product is safe for use on all types of polished or unpolished, resilient and non-resilient floors — except wood
