

SOLVS IT!

EXTRA HEAVY DUTY CLEANER / DEGREASER

SOLVES ALL TOUGH STAINS
FROM GREASE, DIRT, OIL & MORE

Versatility and effectiveness are the highlights of this heavy duty cleaner-degreaser. Diluted with water this product is an ideal cleaner in commercial, industrial and institutional facilities. Effectively clean light soils from common surfaces or grease laden soils from industrial equipment and parts. Use this product as a part of general housekeeping procedures or with steam or mechanical cleaning devices.

The concentrated, surfactant-built, alkaline formulation has been engineered to use its water-based solvents to rapidly penetrate, emulsify and suspend heavier soils. It provides outstanding performance when applied by mop, brush, trigger sprayer, sponge, pressure sprayer, steam cleaner, automatic scrubber or in hot or cold soak tanks.

FEATURES

- Concentrated, economical
- Surfactant built water-based solvents
- Various dilutions
- Corrosion inhibitors
- Controlled foam

RELATED BENEFITS

- Low in use cost
- Penetrate, emulsify and suspend soils
- Multiple applications
- Ideal for dip soap tanks
- Can be used in mechanical devices

AREAS OF USE -

- Industrial cleaning of equipment parts, presses, oil rigs, dip soak tanks, automatic floor scrubbers
- Foodservice cleaning of filters, vent hoods, meat cutters, ovens, grills, and other equipment
- General housekeeping on hard surfaces, floors, carpet spots, and as a laundry prespotter
- Whitewall tires

TO USE -

Dilutions vary from light duty, one ounce per gallon of water to heavy duty, one cup per gallon of water. For applications, see label for complete directions and use only as directed.

SPECIFICATION DATA

Available Sizes -	4/1G, 5G, 55G	Physical State -	Liquid
Color -	Blue	Fragrance -	Peppermint
Foaming -	Moderate	Free Rinsing -	Yes
USDA -	A4, A8	Petroleum Distillates -	No
Viscosity -	1.0	Phosphates -	3 %
Specific Gravity -	1.05	pH (10% solution) -	13.5
