Cleaner Degreaser

Natural citrus solvent d-limonene, one of nature's strongest cleaners, is coupled with detergents and emulsifiers to create this aggressive and versatile cleaner-degreaser. This concentrated cleaner provides rapid penetration and removal of heavy or tenacious soils. It can be used in a wide variety of cleaning applications to remove organic and inorganic soils from virtually any washable surface. Diluted properly this product is not harmful to metals, aluminum, glass or floor finishes.

Features	-	Related Benefits
Organic citrus solvent	-	Emulsifies grease, grime, and adhesives
Water-based, dilutable	-	Many cleaning applications
Fresh citrus fragrance	-	Deodorizes as it cleans
Free-rinsing	-	Use on any surface not harmed by water
No harmful ingredients	-	Environmentally and user friendly

Areas of Use -

- Removes adhesives & rubber marks
- Cleans soot, ink, tar, soap film
- Removes petroleum grease and oil
- Safe to use on metal surfaces
- Cleans cooking grease & food soils
- Clean/deodorize kitchen disposals
- Safe for all washable surfaces
