

ENVIRO PATROL®

Cleaning for a Safer Environment

Heavy Duty Cleaner

PRODUCT DESCRIPTION

Heavy Duty Cleaner is an environmentally preferable alternative to conventional Butyl or other water based solvent cleaners or degreasers. It quickly removes petroleum based soils such as grease, grime and oil deposits in factories and warehouses. It is also extremely effective against protein type soils found in food processing plants and institutional kitchens. It can be used in a conventional mop and bucket operation, automatic scrubber or pressure washer.

Heavy Duty Cleaner is recognized by the **U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.**

FEATURES & RELATED BENEFITS

Green Seal Certified - Environmentally preferred
Concentrated - Multiple applications
Cold water effective - Energy savings
Contains oxygen boosters - No unpleasant fumes

AREAS OF USE

Removes grease in kitchens around stoves, ovens and vent hoods
General cleaning of floors, walls, and other hard surfaces
Degreases shop tools, equipment and machinery
Effective against Industrial grease and oil, animal fats, permanent marker and ink
Effective against most water or oil based soils

DIRECTIONS FOR USE

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense or mix this product according to dilution chart.
2. Apply solution to surface to be cleaned.
3. Allow this product time to penetrate and disperse the soil and contaminant.
4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.
5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

DILUTION CHART

DILUTE..... 1:128*

SPECIFICATION DATA

Available Sizes - 4/1G, 1.25G, 2L
Physical State - Liquid
Color - Clear, green
Odor - Low
pH - 4.5 -5.5
VOC's < 3%
Foam - Low
Freeze/Thaw Stability - Excellent
Solubility in Water - Complete
2 Liter RTU Yield Low-Flow: 516 Quarts
2 Liter RTU Yield High-Flow: 129 Gallons
