

WASH & WAX CAR SHAMPOO

Designed for performance and safety to finishes, this concentrated liquid vehicle wash delivers on both accounts. This cleaner effectively removes heavy soils and road film gently, without damage to surfaces. It is built with high foaming properties that increase the surface lubricity of a rag, brush, sponge or chamois. Formulated with special ingredients that leave a glossy shine on vehicle surfaces. Works in any water condition; hot or cold, hard or soft.

FEATURES

- Concentrated, liquid, vehicle wash
- Designed for automatic installations
- Ideal for foam brush or stiff foam
- Also use for hand applications
- Produces high, stable foam
- Advanced surfactant system
- Aggressive vehicle wash
- Imparts waxy appearance

RELATED BENEFITS

- Economical
- Effective in car wash operations
- Reduces need for multiple products
- Will not dry skin
- Loads of scrubbing suds
- Safe for all auto exteriors
- Removes road film, insects and other soils
- Clean shiny surface

AREAS OF USE -

- Automobiles
