

OS₂ citrus solvent emulsion cleaner

The aggressive nature of this citrus cleaner will tackle the most difficult greasy soils. This pleasant scented natural d-limonene (orange peel oil) solvent emulsion cleaner can be diluted with water for a variety of heavy duty cleaning needs. It quickly dissolves grease and grime on most hard surfaces. Use this product to replace, chlorinated solvent and carcinogenic cleaners. Ideal for removing heavy petroleum soils, food soils, rubber marks, adhesives, inks, and other water-insoluble soils. This product also performs well as a drain opener/maintainer.

FEATURES	-	RELATED BENEFITS
Citrus fragrance	-	Long lasting deodorizer
Aggressive solvent	-	Very effective cleaner-degreaser
Versatile uses	-	Replaces many products
Dilute with water	-	No dangerous solvents
Non corrosive	-	Safe on metals
