

FAST ACTING!

DG-90

NATURAL CITRUS MULTI-PURPOSE CLEANER/DEGREASER

The highly active solvent blend formula tackles the most difficult greasy soils without the use of alkaline detergents. This pleasant scented natural d-limonene (orange peel oil) solvent emulsion cleaner can be diluted with water for a variety of heavy duty cleaning needs. It quickly dissolves grease and grime on most hard surfaces. Use this product to replace, chlorinated solvent, acid, flammable and carcinogenic cleaners. Ideal for removing heavy petroleum soils, food soils, rubber marks, adhesives, inks and other water-insoluble soils. This product also performs well as a drain opener/maintainer.

FEATURES

- Citrus fragrance
- Dissolves greasy soils
- Aggressive solvent
- Very high percent d-limonene
- Versatile uses
- Dilute with water
- Non-corrosive

RELATED BENEFITS

- Long lasting deodorizer
- Soils are easily washed away
- Very effective cleaner-degreaser
- Natural emulsifier
- Replaces many products
- No dangerous solvents
- Safe on metals

AREAS OF USE -

- Industrial cleaning of machines and parts
- Rubber marks, adhesives
- Concrete floors
- Asphalt and tar on equipment
- Softens chewing gum on carpets
- Drains, traps and sewage systems
- Dumpsters, kennels, grease pits
- Graffiti removal
- Food and grease soils in kitchens

TO USE -

Degreaser: 2oz/gal solution applied directly to soil. Apply by mop, sponge, trigger sprayer, pressure sprayer or in dip soak tanks. Drains and Grease Traps: Pour undiluted into drains or traps, allow to work, flush with water. **See label for complete directions and use only as directed.**

SPECIFICATION DATA

- Available Sizes - 12/20oz, 4/1G, 55G
- Color - Orange
- Foam - None
- USDA - C1
- Viscosity - Thin
- Combustible - Yes
- Specific Gravity - .867

- Physical State - Liquid
- Fragrance - Citrus
- Free Rinsing - No
- Petroleum Distillates - Yes
- Phosphates - None
- Biodegradable - Surfactants
