## ALL PURPOSE PINE CLEANER

CONCENTRATED  
CLEANER / DEODORANT

Emulsifiable pine oil is the key ingredient of this all-purpose cleaner and deodorant. It can be diluted with water to form its own solution or used as an additive to other cleaning solutions. Either way, this product is an effective cleaner that provides outstanding deodorizing power.

This product may be applied with trigger-sprayer, mop and bucket, sponge, brush or by automatic scrubber. To obtain maximum deodorization, allow the solution to remain in contact with surfaces for at least ten minutes before rinsing.

Features	-	Related Benefits
Gentle effective cleaning	-	Safe on most hard surfaces
Pine oil emulsion	-	Gently cleans soils from surfaces
Concentrated, versatile	-	Reduces need for several products
Clean, fresh pine fragrance	-	Deodorizes
Free rinsing	-	Will not leave dulling soap film
Low foam	-	Use in automatic floor scrubbers
Add to other cleaning solutions	-	Aid in cleaning and deodorizing

### Areas of Use -

- You may use this product on all surfaces not harmed by water
- General cleaning on cured paint, plastic, metal, aluminum, laminates, fiberglass
- This product is safe for use on all types of polished or unpolished, resilient and non-resilient floors — except wood
