Premium quality and effective cleaning are immediately noticeable in this antiseptic liquid hand soap. This pink, ready to use soap is made from the finest grade of coconut oil and enhanced with an exclusive skin care system to help moisturize hands as it cleans. Unlike most bar soaps, this product sanitizes the hands as they are washed. It has a pleasant almond fragrance that is easily rinsed leaving hands fragrance free. This product is ideal for most any facility with refillable liquid or lather type soap dispensers in restrooms, kitchens or clean up areas.

Features	-	Related Benefits
Coconut oil based hand soap	-	Creates rich, copious lather
Antimicrobial ingredients	-	Reduces germ and bacteria counts on skin
Enhanced with Decicare	-	Does not dry or chap skin
Contains no synthetic detergents	-	Gentle to skin, designed for frequent use
Ready to use liquid	-	More sanitary than bar soaps
Pleasant non-lingering almond fragrance	-	Leaves hands fragrance-free
Pink opaque viscous liquid	-	Lavish silky smooth texture

Areas of Use -

- Hotels, motels, campgrounds
