SHOWER PATROL[®] DISINFECTANT BATHROOM CLEANER

Shower Patrol is a very efficient mineral and soap scum remover combined with outstanding disinfecting properties. It quickly removes water solids, soap scum, and rust from tubs, sinks, tile, shower doors, and chrome plated fixtures with no subsequent pitting or discoloration. The mild-acid formula is nonfuming and leaves a pleasant fragrance.

This heavy duty, fast acting bath and shower cleaner disinfects, deodorizes and inhibits the growth of mold and mildew for superior protection. It is formulated to kill Staphylococcus aureus, Pseudomonas aeruginosa, Streptococcus pyogenes, HIV-1 (AIDS Virus), Herpes Simplex Types 1 and Herpes Simplex Types 2 commonly found in hospital, industrial and institutional environments.
