PINE ODOR DISINFECTANT

LIMITED DISINFECTANT AGAINST BACTERIA OF INTESTINAL ORIGIN

This multi-functional disinfectant leaves rooms smelling pine fresh and clean. It is formulated with real pine oil for added cleaning power. When used as directed, this disinfectant is effective against Salmonella cholerasuis and is especially suited for combating negative bacteria of enteric origins.

FEATURES	-	RELATED BENEFITS
Alkaline built	-	Effective cleaner safe on most surfaces
Pine oil and phenol based formula	-	Effective against Salmonella cholerasuis and gram negative enteric bacteria
Uses real pine oil	-	Excellent "bloom" - pleasing pine aroma
Concentrated formula	-	Dilutable for lower cost in use

AREAS OF USE -

- Restaurants, hotels, motels
- Washrooms, showers, restrooms
- Clinics and doctor's offices
- Schools, universities and child care centers
- Office buildings and retail stores
- Public restrooms
- Commercial cleaning operations

TO USE -

For best results, clean surface to be disinfected, then mop or spray a solution of 1-1/2 oz disinfectant per gallon of water-keep surface wet for at least 10 minutes. For moderately soiled surfaces, use 6 oz germicide per gallon of water. See label for complete directions and use only as directed.
