AIR DEODORANT *Lemon* CONCENTRATE

Eliminate foul or objectionable odors with this concentrated, institutional strength air freshener. This product is especially effective in fighting stale air or smoke odors. It is specially formulated for use where stale, objectionable odors are a problem, such as motel rooms, auditoriums, theaters, kitchens, trash cans, diaper pails, locker rooms, bathrooms, automobiles, buses, closets, basements, and other enclosed areas. Use this product to combat odor in the air or on hard surfaces.

Features	-	Related Benefits
Concentrated	-	Economical to use
Institutional strength	-	Counteracts the most objectionable odors
No formaldehyde	-	Does not desensitize nasal passages
Versatile	-	Add to cleaning solutions
Water soluble	-	Safe to use
Pleasant fragrance	-	Freshens the room

Areas of Use -

Eliminates odors in:

- Portable toilets
- Campers, boats, buses, aircraft
- Drains, waste bins
- Toilets, sinks and showers
- Flush tanks, drip dispensers
- Any area that needs air freshened

To Use -

A dilution of two ounces per gallon of water is recommended, depending on the deodorizing strength required for the job. Using a trigger sprayer, lightly mist the air. Spray 6 to 8 seconds in an average-size room. This will leave the area smelling fresh and pleasant. May be added to mop water or carpet shampoo to deodorize while cleaning. **See label for complete directions and use only as directed.**
