

# Stainless Steel

## OIL BASE CLEANER & POLISH SURFACE MAINTAINER

# SPECIALTY

Use this product to clean, polish and protect the surface of stainless steel and other metals. The oil based formula removes oily residues, leaves no build-ups and will not powder or cake in crevices. This product returns the sheen to polished metal surfaces without the use of abrasives, silicones or acids. The unique solvent system easily removes label adhesives.

### FEATURES

- Non-acid, no silicone, no abrasives
- Repels oils and stains
