NATURAL CITRUS
MULTI-PURPOSE SOLVENT

The highly active solvent blend formula tackles the most difficult greasy soils without the use of alkaline detergents. This pleasant scented natural d-Limonene (orange peel oil) solvent emulsion cleaner can be used for a variety of heavy duty cleaning needs. It quickly dissolves grease and grime on most hard surfaces. Use this product to replace chlorinated solvent, acid and carcinogenic cleaners. Ideal for removing heavy petroleum soils, food soils, rubber marks, adhesives, inks and other water-insoluble soils.
