ALL-OFF CONCRETE FLOOR AND DRIVEWAY CLEANER

This concrete cleaner is a dry particulate cleaning product that really does the job! A special penetration and emulsification system helps insure removal of dirt, grease, oil and heavy automotive soil. Unique coloring agents identify the area of product coverage for maximum cleaning efficiency. Its completely soluble formula changes from orange to green when wet. This easy rinsing concrete cleaner is an ideal choice for use at car dealerships, warehouses, garages, service stations, truck terminals or anywhere heavy grease and grime are chronic.

Features	-	Related Benefits
Powdered alkaline degreaser	-	Maximum cleaning power
Contains pine oil	-	Penetrates and emulsifies
Color indicating dye	-	Identifies cleaning area
Clean pine scent	-	Pleasant to use
Completely soluble	-	Won't clog floor drains
Controlled suds	-	Can be used in automatic scrubbers
Versatile	-	Clean concrete, tile, asphalt, stone, brick and painted concrete
