

Clean N Fresh®

ULTREX ANTIMICROBIAL HAND SOAP

529

The antiseptic formula is a bonus of this premium quality liquid hand soap. This thick, luxurious, pink pearalized soap is made from the finest grade of coconut oil and enhanced with an exclusive skin care system to help moisturize hands as it cleans. Unlike other liquid and bar soaps, this product sanitizes the hands as they are washed with an anti-microbial agent that reduces transient bacteria on the skin. This unique hand soap offers superior cleaning power. It has a pleasant almond fragrance that is easily rinsed without leaving the fragrance on hands. This product is ideal for any facility with refillable liquid or lather type soap dispensers in restrooms, kitchens or clean up areas.
